In the year of 2005 our company successfully enlarged its premises located in Zagłębie. Dynamic development of Saia-Burgess Poland was related with the necessity of employing the best specialists and managers. Horyzont has supported us with the complex recruitment process for middle- and high-level positions, revealing as a trustful business partner in the field of personnel consulting. Flexibility, pace acting and current support from Horyzont's employees influences on efficient expansion process of our professional personnel and, in the result, increases production rate.
